

January 17, 2011

Dear LNPA Working Group Member,

I am delighted to confirm that the Canadian LNP Consortium will host the May meeting of the Local Number Portability Working Group (LNPA WG). Arrangements have been made to host this meeting on May 10 and 11, 2011 at the Rimrock Hotel in Banff, Alberta Canada (<http://www.rimrockresort.com/>). The negotiated room rate for a standard room is \$189 Canadian. **If you intend to participate please contact my associate Joy Fleming (fleming@clnpc.ca) not later than March 15, 2011 and provide Joy with your requirements (single/ double occupancy; arrival and departure dates)**. After March 15, 2011, you will need to make your own reservation directly with the hotel and the negotiated room rate (\$189) will not be guaranteed. The hotel has offered to extend this rate from May 6 to May 15 for any of you who would like to take this opportunity to explore the Canadian Rockies. Joy will confirm to you by email that your accommodation has been reserved. You will be required to arrange to pay your accommodation costs directly to the hotel upon check in.

The closest airport is Calgary, Alberta. The drive is approximately 90 minutes and there is a fee for entry to Banff National Park (<http://www.pc.gc.ca/pnnp/ab/banff/index.aspx>). Transport options include car rental or shuttle service, following are some recommendations for shuttle service <http://airportshuttleexpress.com/Banff.htm> and <http://www.exploreroackies.com/airport-shuttles/>. Most shuttle fares include park fees. Once in Banff, there is little need to have personal transportation, unless you intend to do some sightseeing. Lake Louise is about an hour drive from Banff.

Please be sure to pack for the Rockies, mid- May will likely be warm (55-60F) during the day but quite chilly at night (30F).

Please do not hesitate to contact me if you require any additional details at 613-256-2600 or hearn@clnpc.ca.

Kind Regards,

Marian Hearn

Project Executive, CLNPC
