   - Addition and Prioritization of Future LNPA WG Agenda Items – All
   Action Item 031511-08: Gary Sacra, LNPA WG Co-Chair, will revise v3 of the Brainstorming of Possible Future LNPA WG Agenda Items document as follows:
   1. Create a single testing-related item as High Priority No. 4 that combines the appropriate testing-related items as sub-bullets.
   2. Move the current High Priority Item No. 7 (Using the NPAC for the ICP process and standardizing the process) to the Medium section and clarify that this item relates to using the NPAC for the LSR/FOC exchange.
   3. Move "2 ½ hour porting for intermodal" to the Low section.
   4. Move "The ability to manage one's own operations needs by being able to look into other scheduled projects, e.g. at a centralized GUI, and being able to schedule and perform own mass porting/mass updates without exceeding industry limits" to the High category. Mention that it is a work in progress. Reference the LTI Change Order NANC 444.
   5. Change the Geographic Porting item in the Low category to "Considerations and Barriers to Geographic Porting." Add "Monitor inter-carrier compensation developments" as a sub-bullet.

Action Item 031511-18: There is a requirement in the NPAC preventing creation of pending pooled 1K block if there is a pending SV within that 1K block, and vice versa, until the pending SV or block is either activated or canceled. Discussion of this requirement will be on the agenda for the May 2011 LNPA WG meeting. LNPA WG Participants are to provide any comments regarding this requirement, e.g., original reasons for the requirement, position on maintaining or eliminating the requirement, etc., to Steve Addicks, Neustar, (stephen.addicks@neustar.biz) prior to the May 2011 LNPA WG meeting.

Action Item 031511-19: There is a requirement in the NPAC preventing making a SPID inactive in the NPAC if the SPID is the Old SPID on an active SV. This has prevented removing inactive SPIDs from the NPAC. Discussion of this requirement will be on the agenda for the May 2011 LNPA WG meeting. LNPA WG Participants are to provide any comments regarding this requirement, e.g., original reasons for the requirement, position on maintaining or eliminating the requirement, etc., to Steve Addicks, Neustar, (stephen.addicks@neustar.biz) prior to the May 2011 LNPA WG meeting.
