061411-LNPAWG-03: Gary Sacra, Verizon, will discuss internally those additions, revisions, and questions raised on the June 14, 2011 full LNPA WG conference call regarding the attached proposed Best Practice on CSRs, and make any agreed-to changes for review and discussion at the July 2011 full LNPA WG meeting. Those suggestions include:

    1. Consider adding another field such as any working TN associated with the account to increase verification,
    2. Consider adding the date that authorization was obtained from the End User,
    3. How would or should there be a distinction made between CSRs requested for porting purposes vs. CSRs requested for other purposes?
