Re: Local Number Portability Working Group Meeting July 2015

The CLNPC is pleased to invite you to attend the 2015 LNPA Working Group Meeting to be held July 6th to the 8th in Mont-Tremblant, Quebec at the Marriott Residence Inn, 170 Chemin Cure Deslauriers, Mont-Tremblant, QC J8E 1C9. The closest international airport is Montreal (YUL), the village of Mont-Tremblant is approximately 1 hour north of the airport. As a car is unnecessary once you are in the village you may wish to consider booking a shuttle service (there are several) or car-pooling.

We have secured a discounted rate of \$159 CAD per night for a Studio or \$189 CAD per night for a one Bedroom Suite. These rates do not include taxes however they do include: breakfast, complimentary indoor parking and Wifi in every room. The special rate has been extended to include the weekend prior to the event, Friday July 3rd to Sunday July 5th. Each attendee will be required to book their own respective accommodations with the hotel. The link to do so is below;

Please note that the reservation link may be used for reservations beginning Sunday July 5th, 2015 and that any reservations for the prior Friday or Saturday must be made by contacting the hotel directly. The front desk team phone numbers are 819-681-4000 or 1-866-818-8989.

You may make a reservation online and then contact the front desk to modify that reservation, or you may contact the front desk directly and make your entire reservation with them over the phone. To get the special group rate early simply call the front desk and mention that you are part of the LNPA Working Group Meeting and that you would like to make or modify your reservation.

Also please note that the Tremblant International Bluesfest is scheduled July 3 to 12 and our negotiated rate is available only until May 21st, 2015 so all reservations should be made well in advance of that date. Rooms will be released after May 21, 2015.
