

July 2017 LNPA WG meeting in Durham NC

Bandwidth.com is pleased to host the July 11/12 2017 LNPA WG meeting in Durham, North Carolina.

The meeting will be held at:

Durham Marriott City Center
201 Foster Street
Durham, NC 27701

Rooms have been arranged at the newly renovated Durham Marriott City Center at a rate of \$134.00 per night. If you want to book extra nights at the same lower rate please contact the hotel directly at 919-768-6000 (and reference the event name indicated below) for the extra nights on either side of whatever you book using the link below – the hotel will do their best to try to accommodate these requests.

As with last year, the meeting itself will be held in the attached Durham Convention Center. Bandwidth will provide a continental breakfast on both mornings, and an afternoon break snack in the first day. Unfortunately, the Durham Bulls will not be playing a home game during the meeting dates, but for evening time there is a plethora of great places to go out to, all within walking distance as Durham continues to thrive and grow!

We are looking forward to hosting the LNPA WG, and don't hesitate to let me know if you have any questions.

Lisa Jill

The reservation cutoff date is Friday, June 9, 2017, after that the rooms will be returned for general booking.
