Conference Bridge – **866-783-4160 PIN 23272#**

**11:00am Best Practices – All**

- **090914-01** – Jan Doell to reword Note 2 in Best Practice 30 to reflect that the FCC did not approve the cessation of NPA splits, and to add in the Decisions and Recommendations section that the WG developed a list of pros and cons for overlays vs. splits. This will be reviewed at the November meeting.

The red below is Best Practice 30 revision proposal, based on information from the FCC.

0910 NPA Splits

- **090914-02** – Neustar will add the following notes to Best Practice 65 on the Best Practice website:
  - NOTE-3: The NANC approved BP65 and the associated NANC LNP Process Flows in their September 2013 meeting, and the NANC forwarded their recommendation for approval to the FCC on October 17, 2013.
  - NOTE-4: After a Public Comment cycle completed, Best Practice 65 was approved and mandated by the FCC in DA 14-842 dated June 20, 2014.
- **090914-03** – Lonnie Keck will draft proposed changes to Best Practice 39 recommending that when a losing carrier uses generic reject codes, clarifying information must be included in the remarks section. Examples of generic reject codes are 6C (Customer Information Does Not Match) or 1P (Other). Lonnie's proposed changes will be reviewed at the November LNPA WG meeting.
